Re: **Liquor Consumption Within Jaycee Slo-Pitch Park (The Park)**

Effective as of the 2010 Slo-Pitch season there are new rules governing the consumption of Alcohol within the confines of The Parks property.

Now that the AGLC has clarified the alcohol consumption locations and licensing areas at the park and there will be no more drinking of outside alcohol or tailgate parties in the parking lots, this also includes Dugouts, Playing Fields and Washrooms.

As stipulated by the rules of our liquor license there is to be **NO OUTSIDE ALCOHOL TO BE BROUGHT ONTO JAYCEE PARK PROPERTY.**

The enforcement of this policy is to be the responsibility of each league or tournament convener using The Park.

As violation of this policy could result in the loss of the liquor license for The Park this is considered to be a very serious offence. Violators will face punishment.

In order for ALL park users to become aware of this policy we will allow a short period where One warning will be issued and documented. After said warning is issued any violations from the same group will result in the ENTIRE Team, being expelled from the park. This also can if continual violations occur include the ENTIRE League and/or Tournament being expelled from The Park, forfeiting any monies paid for use of the park.

Warnings will be issued from May 01 – May 15, 2010 after May 15,violations will be immediate and indefinite.
