Calgary Men's / Ladies / Coed Slow Pitch League 2024 – Official Bat Rule

Appendix "3"

All bats used in the league,

- Must have the one of these ***(Stamps below),*** USSSA thumb print stamps on the taper of the bat.
- Must be tested by the league prior to being used in league play and have the league stamp/sticker attached,
- Must not be on any USSSA Non - Approved bat lists,
- Will be randomly re-tested through-out the season.

For the CMLC League: All bats must pass the 240lb compression testing – 2024 forward.

- New and Old USSSA stamped bats, must pass the 240lb compression test or cannot be used, this standard will be used on all bats going forward.

All bats used in the CMLC League must be tested labelled as passed or cannot be used.

Additional Information - Penalties:

- **No bat can be used in the league play unless tested and labeled by the league.**
- Bats will be checked by the game or league officials before each game, bat found to be illegal or altered after the initial testing will be removed from the game.
- Persons using bats not stamped by the league and that are used during league play will be ejected from the game and face additional suspensions.
- League testing stamps that have found to be re-used, taped, transferred, or otherwise compromised will constitute an immediate suspension of the player that owns the bat.
- Tested bats that are randomly tested and do not pass the test, may be sent for additional testing to the manufacturer.
    - If the bat comes back as altered, the player and/team must pay for all charges incurred and the owner of the bat and the team may/will be indefinitely suspended from the CMLC League.
    - If the bat comes back as not altered, the league will incur all costs.
- The league reserves the right to disapprove any equipment.
